Hey Friends,

September is here and that means Fall is in the air. The nice cool breeze, colored changing leaves, and leaves falling to the ground is a nice change from the hot summer that we had here. Is anyone else done with summer because I am? This time of the year I love the pumpkin spice scent so I am very excited to bring those out to use. In this issue look for some great and exciting things coming this month. Look for of the month, recipes, Wine Wine Winesday, Garden preparation for the fall, Get Ready with Me for the Week, Mindful Monday, Moment As A Mother, Budget for the Month, Wine Tasting and so many other great things that I have in store for you guys. I can't wait to share with you all of the things that I have plans. To keep in touch of the great things that I have in store or to catch up scan the Qr code and follow all of my social media.
